A recent survey by BIC® found 61% of Canadians believe a handwritten note of recognition has more value than other forms of communication. It also found the most valued qualities in a pen were smooth ink flow (71%) and a comfortable grip (54%.) The BIC® ReAction® pen has up to a 35% smoother ink system than other pens and a cushion spring that acts as a shock-absorber while writing: \$3.99/pack of two.

Budget-minded families are looking for dual purpose back-to-school items that combine home

use with their children's school needs. The Certified Data CX600 T6500 Laptop has a 500GB SATA hard drive and 4GB DDR2 RAM (4GB Max) memory. It also has 16-in. WXGA (1366 x 768) display, Intel Core 2 Duo T6500 processor and Microsoft Windows 7 Home Premium: \$849.98 at London Drugs.

The VUZIX: Wrap 310 is sunglasses-style video eyewear with 2D and 3D wide-screen video capabilities and compatibility with almost any video source including iPod®, iPhone® and portable DVD players. It projects video from any source to a virtual 55-in. screen viewed from 9-ft., and 16:9 or 4:3 screen format options offer a versatile video eyewear experience. It weighs less than 3 oz., has built-in earbuds and an adjustable nose bridge: \$249.95 at [www.vuzix.com](http://www.vuzix.com)

SafeDriver from Lemur Monitors provides peace of mind to parents of teen drivers by recording real-time information about their driving habits. It displays maximum speed, distance travelled and any sudden braking. It installs in minutes and requires no additional tools or computer connection. Plug the sensor into your vehicle's Data Port and it wirelessly relays to the display on the pocket-sized key fob: \$69.95 at [www.lemurmonitors.com](http://www.lemurmonitors.com)
